Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** The last four digits of your Social Security number or your California Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- B** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- C** Provide the complete street address of your California voting residence. A post office box is not acceptable. If your address includes a rural route, describe its location. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.
- D** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

- E** Print the name of the political party (i.e., Democratic, Republican, American Independent, Green, Libertarian, Natural Law or Peace and Freedom), write "Decline to State," or write in the name of a non-qualified political body. If you do not complete Item 6, you will be registered "Decline to State." California law allows voters who "decline to state" an affiliation with a qualified political party or who affiliate with a non-qualified political party to vote in the primary election of any qualified political party that files a notice with the Secretary of State allowing them to do so. Visit www.ss.ca.gov to learn which political parties are allowing nonaffiliated voters to participate in their primary election. If you are currently registered and want to make changes, you must submit a completed FPCA to your local elections official not later than 15 days before the election.
- F** Check ONE box.
- G** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

If no labels are available, write in Item 7: "I cannot vote an absentee ballot during the normal absentee voting period due to military or other contingencies that preclude normal mail delivery. {Specify reason(s).} I request a special absentee ballot."

The elections official will provide a list of all the candidates qualified by the 60th day before the election as well as the measures to be voted on. You vote the ballot by writing in the names of the candidates you select.
